

# Timor Caves Hunter Valley, New South Wales

Orders now accepted- \$35 (+ postage & Handling)

Orders are now being accepted for this comprehensive guidebook on the Timor Caves. **The Newcastle & Hunter Valley Speleological Society** has been working on this project for the past 3 years, carefully researching and documenting this unique Karst Environment.

The book serves as a record of the Timor Caves and Karst for visitors, cavers, local government and property owners. Readers are educated about the fragile nature of karst and are encouraged to visit the caves with care and respect.

The book at a glance...

A4 size soft cover 112pages, 93 colour photos, 8 tables, 15 figures/diagrams, 80 cave descriptions & 57 cave maps (37 of which are published here for the first time). Chapter subjects include; geology, invertebrates, bats, karst specific vegetation, birds, palaeontology, cave surveying & mapping, education opportunities, and minimal impact caving. The book includes a cave glossary and geological timeline for the Timor region.

This project has been assisted by the New South Wales Government through its Environmental Trust.
